

## Wooden Kayak Silent Auction!

St. Augustine Lighthouse & Maritime Museum Heritage Boatworks is finishing a wooden strip kayak made from strips of red cedar, mahogany and cypress coated with fiberglass. A unique design made from mahogany and cypress runs along the sides that spells out St. Augustine Lighthouse in Morse code. The anticipated completion date is July 1, 2019.

The Museum is auctioning this beautiful wooden watercraft, including two handmade and decorated paddles, through sealed bid silent auction. Minimum bid starts at \$2,000. See the [Silent Auction Sealed Bid form](#) for more information and to bid on this boat.

ALL SEALED BIDS MUST BE **RECEIVED** BY DESIGNATED MUSEUM STAFF BY 3:00 PM ON OCTOBER 15, 2019.

Right: Kayak under construction at the Museum in January 2019.

Below: The finished strip kayak (pictured below with build crew) is on display at the St. Augustine Lighthouse & Maritime Museum Gift Shop.
