The participant must retain the main section of the ticket as proof of having the winning number. The stub will be retained by the Heritage Boatworks and stored in a secure location until the time of the drawing. No purchase or contribution is necessary for a ticket, but the suggested minimum donation is \$5.00 per ticket, or \$20.00 for five tickets. An individual designated by the Heritage Boatworks who is not participating as a drawing entrant will select at random a stub from the container. If the entrant is not present at the drawing or does not claim the prize at the drawing, Heritage Boatworks representatives will make a reasonable efforts for thirty days after the drawing to contact this person using the contact information provided by the entrant (if legible) on the ticket stub, and will post the winning ticket number and/or the name of the entrant (if legible) on this webpage. The winner of the drawing shall have 30 days from the date of the drawing to contact the Heritage Boatworks in order to claim their prize. If the prize is not claimed by the winner by the expiration of 30 days after the drawing and the Heritage Boatworks cannot locate the winner through its reasonable efforts during such period, a second drawing will be held, and the above rules will be followed until a winner is identified.

The winner will be responsible for promptly picking up and/or arranging for delivery of the boat, at the winner's sole cost and expense. No trailer or any other material other than the boat itself and its oars are offered as part of the prize.
