The St. Augustine Lighthouse & Maritime Museum is proud to announce the opening of the Military Honor Plaza. The plaza will feature commemorative bricks to honor members of the nation's armed forces.

During World War II, the St. Augustine Light Station served as a United States Coast Guard station. Housed in the former Coast Guard Barracks built in 1941, "The Guardians of the First Coast: Building Readiness for World War II" exhibit highlights the history of northeast Florida in the early years of World War II.

To commemorate Veterans Day, the Musuem will host a ceremony to mark the opening of the Military Honor Plaza on **Friday, November 10th, 2023 at 10:00 am**. We invite you to purchase a commemorative brick now so that it can be in place for the Veterans Day ceremony.
