## SCHOLARSHIPS

The St. Augustine Lighthouse & Museum is pleased to announce the availability of summer camp scholarships for underserved children, made possible through the Steve Senecal Scholarship Fund, in partnership with Sertoma of St. Augustine.

Teachers, parents, social workers, and civil service organizations are invited to submit an application, nominating one or more children in grades K-5, who would benefit from a weeklong educational summer program. The application should include a detailed description of why the child should receive a scholarship to camp, and the relationship of the child to the party making the request. Enclosed, you will find scholarship applications, as well as summer camp brochures.

The number of scholarships is limited, so mentors are encouraged to submit letters of sponsorship as soon as possible. Scholarship applications may be dropped off at the Lighthouse, may be faxed to (904) 808-1248, or mailed to:
