

Heritage Boatworks Boat Drawing

Official Rules

The Heritage Boatworks Boat Drawing is a drawing to win a handmade wooden watercraft, along with any corresponding accessories. These boats are built by the volunteers of Heritage Boatworks at the St. Augustine Lighthouse & Maritime Museum. The institution organizing and conducting the drawing is the Lighthouse Archaeological Maritime Program, Inc., also known as LAMP, a non-profit organization dedicated to researching and preserving the maritime heritage of our nation's oldest port, St. Augustine, Florida. LAMP is the sister organization to the St. Augustine Lighthouse & Museum, Inc., and is located on its grounds at 81 Lighthouse Avenue, St. Augustine, Florida 32080. Contact phone number: 904-829-0745.

Individuals wishing to participate in the drawing will be issued numbered tickets. The participant (each an entrant) must legibly print their name and contact information (phone and/or email and/or mailing address) on the ticket stub in the space allowed or on the back of the stub. The participant must retain the main section of the ticket as proof of having the winning number. The stub will be retained by LAMP and stored in a secure location until the time of the drawing. No purchase or contribution is necessary for a ticket, but the suggested minimum donation is \$5.00 per ticket or \$20.00 for five tickets. Individuals wishing to acquire tickets may do so at the St. Augustine Lighthouse & Museum Gift Shop at the address listed above during regular business hours.

The drawing will be held at approximately 8:00 PM on the first Wednesday of every December during the Luminary night celebration at the address listed above. At that time, all ticket stubs retained by LAMP will be placed in a container. An individual designated by LAMP who is not participating as a drawing entrant will select at random a stub from the container. The number on that stub will be the winning number, and the name and number will be announced at that time. If the entrant is not present at the drawing or does not claim the prize at the drawing, LAMP will make reasonable efforts for thirty days after the drawing to contact this person using the contact information provided by the entrant (if legible) on the ticket stub. The winner of the drawing shall have 30 days from the date of the drawing to contact LAMP in order to claim their prize. If the prize is not claimed by the winner by the expiration of 30 days after the drawing and LAMP cannot locate the winner through its reasonable efforts during such period, a second drawing will be held until a participating winner is identified. Additionally, the participant shall have 90 days to negotiate a pickup date from the date of being informed they won to pick up the boat. If the winner does not contact us within 90 days the boat will be sold.

The winner will be responsible for picking up and/or arranging for delivery of the boat at the winner's sole cost and expense. No trailer or any other material other than the boat itself and its oars/paddles and accessories and sailing rig, if applicable, are offered as part of the prize.

If the boat is not completed by the date of the drawing, arrangements for picking up the boat shall be made by the winner within 30 days from notification of completion. Employees and Volunteers of the St Augustine Lighthouse & Maritime Museum are not eligible to participate in the Boat Drawing.

The prize boat was built by volunteers and as part of an educational project. While the boat was built to certain specifications, it is provided in this drawing "AS IS" WITHOUT ANY WARRANTY WHATSOEVER, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES, ARE HEREBY EXPRESSLY DISCLAIMED.

Each entrant, as a condition of participating in this drawing, does hereby release LAMP, the St. Augustine Lighthouse & Museum, Inc., and their respective officers, directors, employees, representatives, volunteers and agents (the "Releasees") from and against any claims against any of the Releasees that the entrant has or may have in connection with the operation of this drawing and/or the use and purchase of the prize. The winner, as a condition of being entitled to the prize, shall be required to complete a release and indemnity form releasing and indemnifying the Releasees from any liability or claim arising in connection with the use of the prize or this drawing.

LAMP Boatworks has been issued a Manufacturer's Identification Code from the U.S. Coast Guard and is regularly inspected by the U.S. Coast Guard Recreational Boat Testing and Factory Compliance Program. No vessel built by Heritage Boatworks is rated or intended for propulsion by a motor. It is the responsibility of the winner to follow safe boating practices as established by the U.S. Coast Guard.

LAMP shall have no liability if the prize is damaged, lost, or stolen before it can be awarded, but LAMP may, at its discretion, agree to repair the damaged boat or arrange to build a replacement boat for the winner.

All risk of loss or damage to the boat and all risk and responsibility for the use of the boat is assumed by the winner. If the winner does not wish to take possession of the boat a donation form will need to be filled out and the winning boat will be considered a donation back to the St Augustine Lighthouse & Maritime Museum to be sold by the Museum and all proceeds being used to support our non-profit organization and its mission.
